

Goodbye Party Given For School Principal

By SUE BURK
Frontier 5-4549

There seemed to be a lot of sadness in many homes of this area over this past week. This was due to the fact that our beloved principal, Mr. Earl Eckert, is on the rotation list and will be teaching in another school other than ours next year. A farewell party was held in his honor at the beautifully decorated home of Mr. and Mrs. Edmond of Downey. All those wishing him good luck in his new school were: Mesdames Peg Thorn, Lois Leonard, Myrtle Nik, Sue Burk, Freda Steinwachs, Jo Edmond, Betty Bristol, Mildred Muldoon, Mary Strimatter, Thelma Shockency,

Lucille Robinson, Dorothy Hurford, Virginia Nauman, Genevieve Rosin, the honored guest and his wife, Bess Eckert. Mr. Eckert was presented with a desk pad and calendar set as a farewell gift. All of us join in wishing the best of luck to a full-time promoter of understanding between the teachers and the parents, but also a haven of trust and faithfulness for all his pupils. Seaside Elementary has lost a wonderful man and a dear friend.

A double birthday party was held at the home of Mr. and Mrs. Leonard Priestly of Vanderhill Rd. on Aug. 26 for Buddy Priestly and Craig Herbst. Both boys are now four years old. Party was held for the neighborhood children, who enjoyed cake, ice cream, and punch. Happy birthday, though belated, to two little boys.

Company for Mr. and Mrs. Walter Ansley and sons, Walt Jr. and Steve Donald, of Macafee Rd. The visitor this week is brother Joe Ansley of San Francisco. Hi Joe! Hope you enjoy your visit here, and if I know Walt and Louise right, then you'll have a wonderful visit to tell about when you return to San Francisco.

Happy birthday to Roland "Buz" White of Zakon Rd. Buz taught at Seaside Elementary School last year, and will continue to teach this year. He is now an old man of 29 years. Best wishes to you for your birthday and during the coming school year.

Christian Church Group To Hear Youth Speaker

The Rev. Harold Moery, graduate student of the USC School of Religion and a member of California Research, will be the speaker at the First Christian Church, 1416 Engracia, at Sunday services.

The Rev. Moery is a former youth director at McCarty Memorial Church. His topic will be "Youth in the Church."

The combined Christian Women's Fellowship of the Harbor District will hold its meeting in Gardens on Oct. 6 from 10 a.m. to 3 p.m.

SCIENTIST ADDRESSES ENGINEERS

"Increasingly complex machines which are part of our everyday life are getting almost too complicated for man to operate." So said Dr. Arnold M. Small, U.S. Naval Electronics Laboratory, San Diego, when he addressed several hundred engineers of the Southern California Section, American Society of Mechanical Engineers, gathered for their Officers' Installation-Ladies' Night Banquet in Los Angeles recently.
